

one location you may be required to provide a rental car for our instructor pilots Insurance Requirements Before training can begin, an endorsement from Insurance Underwriter must be placed on trainee's aircraft, naming Turbine Solutions, Inc. and their check airman as additionally, insured. This document should be emailed or faxed at least seven (7) days prior to training start date. Cancellation Policy We understand that from time to time a client will have to cancel a training session. Yet, when we schedule you for training we are taking ourselves off the schedule for other clients. You may cancel a training session with 48 hours' notice, without charge. A cancellation with less than 48 hours' notice will incur a \$ 500 cancellation fee. However, if you cancel more than twice in your transition training program outside of the 48-hour grace period, TSI will charge you a daily rate of \$ 1,000 per day for each day cancelled.
